

In The Specification

Please amend the specification without prejudice, as follows:

At page 8, line 14, replace "42" with --52--.

REMARKS

The proposed amendment does not introduce new matter and should not raise new issues of patentability. The amendment is solely to correct a typographical error. The proposed amendment is recommended to prevent ambiguity, and has support at least in Fig. 3.

CONCLUSION

In view of the foregoing, Applicants respectfully request that this amendment be recommended for entry without withdrawing the application from issue. The Examiner is invited to telephone Applicants' undersigned representative to discuss any outstanding issues.

Respectfully submitted,
